INFORMATION OF VALUE.

○ ○ ○

Ticket offices at all local stations are open in ample time for passengers to procure tickets and get baggage checked.

Passengers should invariably purchase tickets of the Company's agents or duly appointed agents of connecting lines, and not from unauthorized parties. This caution is given so that the Company may not be censured for enforcing its rules in protection of its interests against lost, stolen, fraudulent, expired or scalped tickets.

Stop-over checks, good for fifteen days from date of issue, will be issued by conductors when desired by holders of regular first class unlimited tickets. Stop-over checks issued on tourist tickets which permit of such action may bear limit short of fifteen days, according to final limit of tickets on which issued.

Children over five years and under twelve years half fare; under five years free when accompanied by parents or guardians.

Rate for corpse of any age is one first class limited fare when accompanied by some person in charge and the usual physician's certificate that death was not caused by a contagious disease.

Personal baggage or wearing apparel to the amount of 150 pounds free with each full ticket, and 75 pounds with each half fare ticket. No single piece of baggage weighing over 250 pounds will be checked or taken in baggage cars under any circumstances. Excess weight over 150 pounds to each full ticket and 75 pounds to each half ticket shall be charged for at rate of 12 per cent of the lowest regular first class rate per 100 pounds.

Baby carriages, bicycles, tricycles and articles of a like nature when properly tagged with owner's name and address will be checked as excess baggage, each bicycle, tricycle and baby carriage to be charged for the same as 50 lbs. of excess baggage

Camp equipage belonging to hunting parties who use our line will be carried free in baggage cars at owner's risk when properly tagged. This covers tents, guns (when properly cased), small boats, canoes, etc. Ammunition and provisions in barrels or boxes should be shipped by express or freight.

Dogs, when properly chained, will be carried free in baggage cars at owner's risk. Baggagemen are instructed not to ask for compensation from passengers for the care of dogs.

Lost Tickets. Railway companies are not responsible for lost tickets, and every precaution should be taken to prevent their loss. When beginning a journey, passengers should take a memorandum of the **destination** of their tickets, **name of issuing road, form number, consecutive number** and **place and date of sale.** They should also make a memorandum of the consecutive numbers of their baggage checks. This will aid very materially in their recovery if lost or stolen.

In the event of any disagreement with a conductor relative to tickets required, privileges allowed, etc., passengers should pay the conductor's claim, take his receipt and refer the case to the General Passenger Agent for adjustment, as the conductor has no discretionary power under the rules by which he is governed.
